Tell Us About The Value You Will Bring To The Chapter

I will ensure the efficient management and governance of the Chapter. I will bring strategic leadership in planning, developing, and executing initiatives that enhance professional growth and strengthen South Africa's cybersecurity community. I will focus on delivering technology-driven programs, training initiatives, and member development projects that align with ISC2's mission and industry best practices. I will also ensure compliance with all non-profit governance requirements, maintaining transparency and accountability in all administrative processes.
