Tell Us About Yourself

I'm a cybersecurity engineer who thrives on solving complex security challenges. I specialize in protecting systems through Zero Trust, cloud security, and threat detection. Tech isn't just my job—it's my playground and passion. I love staying ahead of the curve with emerging tools and trends. Every day, I get to secure the future—and I wouldn't have it any other way.

Tell Us About The Value You Will Bring To The Chapter

I bring a deep passion for cybersecurity and a track record of driving Zero Trust and cloud security initiatives. My leadership style blends diligence with empathy—empowering teams while staying focused on outcomes. I thrive on translating complex threats into clear strategies that build resilience across the community. I'll champion collaboration, mentorship, and continuous learning to uplift members and foster innovation. Most of all, I'm here to serve—with purpose, integrity, and a relentless drive to make a difference.
